# THE MIDTOWN: FAQ

## IS THERE PARKING?

Street parking is readily available around The Midtown. There are also 200 self-park, paid parking spaces for guests in an underground secure lot. Valet and parking validation can also be arranged with the building.

## IS THERE SECURITY?

The building has 24-hour security stationed at the front desk. Security guards monitor main entrance points and surrounding area of the building.

## WHAT ABOUT CATERING?

The Midtown is managed by Art of Catering, who also provides all food & beverage service. They are a full-service caterer known for making fantastic food and drinks fresh onsite for you and your guests – always using the best local and seasonal ingredients.

Menus are customized to each unique event, and the team will work with you to create a menu that brings your Midtown event to the next level.

## WHAT INVENTORY IS INCLUDED?

Art of Catering will work with you to manage the rental of tables, chairs, linens and all catering items for your event. Lounge furniture is included in the building lobby. We recommend partnering with one of our vendor partners for all your AV and/or lighting needs.
